

TISOL School Song

Together in Lae
We work and we play
Living each day
In this beautiful land
All hand in hand
A global family of man
Happy in harmony
Sharing our times
Respecting each other
Enriching our lives

United We Learn
United We Learn

We learn as we grow
And you and I know
That soon we will go
Out into this world
The young and the old
See our futures unfold
Building our knowledge
Values and Skills
Believing at TISOL
We can and we will

United We Learn
United We Learn
United We Learn
United We Learn
